**Region X Lender Training Call FY2009 Schedule
(Tentative Schedule)**

The local time when each call is held depends on your time zone:

8:30-9:30 AM - Alaska

9:30-10:30 AM - Washington and Oregon

10:30-11:30 AM - Idaho

The SBA uses **ReadyTalk** to combine conference calling with computer technology. You listen to the workshop over the phone, and follow the presentation on your computer.

ReadyTalk phone login: Dial toll free 1-866-740-1260. Enter the access code: 3108401, followed by the # key, to join the call.

ReadyTalk internet login: Go to www.readytalk.com. Enter the access code: 3108401 in the "join a meeting" dialogue box, and click "join."

ReadyTalk etiquette:

Please use ReadyTalk command "*6" to mute your phone during the call. Background office noises (conversations, telephones ringing, fax machines, sirens in the street, etc) degrade the quality of the training. You can use ReadyTalk command "*7" to remove the mute command to ask a question. Also, please do not put your phone on hold during a ReadyTalk call.

To check your browser for compatibility with ReadyTalk: Prior to participating in your first call, go to www.readytalk.com, click on "test your computer" link in the "join a meeting" dialogue box, and download or update any necessary software.
