SBA Announces Closing Schedule for Nine Disaster Loan Outreach Centers in Louisiana

SACRAMENTO – Michael W. Ricks, Director of the U.S. Small Business Administration’s (SBA) Louisiana District Office, today announced the closing at the following nine SBA’s Disaster Loan Outreach Centers (DLOCs). The centers in Avondale, Gonzales, Grand Lake, Plaquemine and Port Sulphur will close Friday, January 9. The centers in Carencro, Franklin, Mandeville and Thibodaux will close Friday, January 16.

“SBA customer service representatives will continue to be available at four Disaster Recovery Centers and thirteen SBA Disaster Loan Outreach Centers to answer questions about SBA’s disaster loan program, explain the application process, help individuals complete their applications and close their approved disaster loans,” Ricks said.

Residents and business owners who suffered damages as a result of Hurricanes Gustav and Ike can speak with SBA representatives on the days and times indicated on the attached location listing. No appointment is necessary.

According to Ricks, since the President declared the hurricanes disasters, SBA has approved \$130.8 million in loans to 4,096 Louisiana homeowners and renters and \$28 million in loans to 539 Louisiana businesses and private, non-profit organizations hurt by Hurricanes Gustav and Ike.

The deadline to apply for property damage from Hurricane Gustav was December 3. However, small businesses and most, private non-profit organizations affected by Hurricane Gustav have until June 2, 2009 to apply for Economic Injury Disaster Loans (EIDL). These loans are to help meet working capital needs caused by the disaster. EIDL assistance is available regardless of whether the business suffered any property damage.

For victims of Hurricane Ike, the filing deadline to return applications for property damage is January 12, 2009, and the EIDL deadline is June 15, 2009.
