The Women's Economic Development Outreach (WEDO) program is built on one single thought – the belief in the incredible power of women business owners.

The mission is simple: to provide focused resources to directly impact women-owned businesses by increasing their opportunities for expansion. You're a busy professional with little time to waste and you need to use it wisely. **WEDO** is focused, **WEDO** is fast, but most importantly, **WEDO** will give you the tools to take your business to new levels.

WEDO is a morning filled with information on increasing profitability, financing growth, accessing new markets in corporate America and government, and meeting resources from banking, chambers of commerce, women's business organizations, SBA business consultants, and women like you.

WEDO Registration

Register for **WEDO** at www.e-magnify.com or phone National City at 888.NCB-4BIZ (888.622.4249). **WEDO** is free and seats are limited, so please register early.

WEDO Agenda

For schedule information visit the **WEDO** website at www.e-magnify.com. Each day is tailored to address the regional needs of women business owners with relevant speakers and topics. You will have time to network with the sponsors, speakers, and participants; enjoy a continental breakfast, and get the chance to win memberships to chambers, women's organizations, and other valuable gifts from our sponsors.
