### **IRS Schedule C for Sole Proprietors – Free Workshop at the BIC**

**SPOKANE** – Are you a sole proprietor who needs help sorting through tax issues that may apply to your business?

The U.S. Small Business Administration and the IRS are collaborating to provide a free workshop, “Schedule C for Sole Proprietors” at the Spokane Area Business Information Center (BIC) at 801 West Riverside Avenue on Tuesday, August 24th from 12:30 pm – 4:30 pm. Call the BIC at 509-353-2800 to register.

This workshop will focus on issues important to sole proprietors such as federal tax responsibilities, business income and expenses, self-employment tax, estimating tax payments, avoiding tax penalties, and record keeping tips. Learn what is deductible, what can be depreciated, what counts as business use of your home, and which forms to file.

Even if you have your taxes prepared by a professional, taking just a few hours to learn the basics about small business tax issues will benefit both you and your tax preparer. The presenter for the free “Schedule C for Sole Proprietors” workshop is David Buob, a Certified Public Accountant with Leffel, Otis and Warwick.

Call 509-353-2800 to reserve a spot in this valuable workshop. Space is limited
